- ✓ A DreamWorks Episodic PA who loves animation AND working with others who share that passion
 - ✓ Positive mindset that soars in creative, fast-paced environments
 - ✓ A dedicated and caring team player who's always up to face a challenge and solve a problem
-

Experience

Studio Productions

PRODUCTION ASSISTANT – *Gabby's Dollhouse, DreamWorks* – CG TV series (2022-present)

- ♦ Writing helpful and effective descriptions from scripts when assigning designs to artists on **ShotGrid**.
- ♦ Meticulous in making model packs on **Photoshop** in order to bridge the asset and design pipelines.
- ♦ Documenting and delivering important storyboard notes from **Syncsketch** to multiple departments.
- ♦ Applying acute attention to detail when calling out assets from animatics onto **Google Sheets**.
- ♦ Unpacking shipments and crafting a wide range of emails for various departments and outsourced studios.
- ♦ Carefully communicating with the Design, Story, Editorial, Animation, and Comp departments with my PC.
- ♦ Instructing interns in and out of my show, mentoring a diverse set of minds as they enter the industry.

PRODUCTION MANAGER – *The Green Ninja Show* – 2D web series (2020)

- ♦ Created schedules and shot lists on Google Drive for a 30+ person crew on one season.

ART PRODUCTION ASSISTANT – *Breakfast, Spartan Film Studios* – Live-Action short (2019)

- ♦ Collaborated with the art department while constructing a realistic set for a 1930's period piece.

Personal Projects

***Randy Rejects*, CG animated short (2023-present)**

- ♦ Teamed up with multiple industry professionals to create an ambitious 3D Animation short film for a YouTube channel with over 17,000 subscribers.
- ♦ Enthusiastically established curriculums with my producer to teach the animation pipeline to newcomers.

***Forward*, CG animated short (2021)**

- ♦ Recruited an entire team for a socially-distanced production during quarantine.
- ♦ Conducted effective presentations for weeklies throughout the entire production timeline.

***Wacky Towns*, 2D animated pilot (2018-2021)**

- ♦ Self-started an award-winning cartoon pilot with a crew of over 20 people.
- ♦ Diligently oversaw all of the pilot's scripts, production design, animatics, and animation departments.

Education

Bachelor of Arts in Film Studies | San Jose State University – Dean's Scholar – December, 2019
